

**SevenCS**

# ABOUT

## **The company:**

The limited Dutch company SevenCS located in the mid-west of the Netherlands is a wholesale dealer for the food market

Specialized in bridging the gap towards the supplier we are able to create highest quality against a low price and keen delivery logistics

We use distribution centres in the Netherlands and Eastern Europe and have an own cool store. Working with over 30 transport companies, SevenCS takes care for the safe delivery of fresh and refrigerated products

Being active in the market for years, the company can boast on a huge portfolio of clients in and outside the European Union

## **Key benefits of working with us:**

Strong connections with over 60 certified producers and suppliers offering competitive pricing and highest quality

Wide experience in logistics and large network of transporters leading to top quality delivery on time

Working with distribution centers in the Netherlands and Eastern Europe making orders available on your doorstep 24/7 irrespective whether you are a small or large company

Fluent communication with different spoken languages solving the many difficulties in diverse jargon among different countries

## MEAT

### **Meat:**

For many years we are specialized in the meat sector and we sell primary or smaller cuts of pork, beef, chicken and lamb to over a hundred companies varying from wholesalers to meat processing plants and supermarkets. Starting as an affiliate of a Dutch pork slaughterhouse, we currently deliver meat from over 30 different suppliers in Europe. We take care for safe and fast transport of fresh, frozen, vacuum, bulk pallets, boxes and hanging meat.

## VEGETABLE OIL

### **Vegetable Oil:**

SevenCS offers olives and olive oil from Kalamata Greece and sunflower oil from eastern Europe, Malaysia, Africa and Brazil in a wide range of packaging with optional private label and bulk. We have our own selected products such as the Vito sunflower oil and different Greek olive oil varieties bio, classic, virgin and extra virgin.

## MISCELLANEOUS

### **Diverse Products:**

Having strong partners in Europe and the rest of the world we further provide many other commodities such as fish, fruits, vegetables, coffee and drinks.
